Stowe Parish Register

Vol. I.

PRIVATELY PRINTED FOR THE STAFFORDSHIRE PARISH REGISTER SOCIETY.

All Communications respecting the printing and transcription of Registers and the issue of the parts should be addressed to the Editor.

Attention is especially directed to Notices on inside of Cover.

Stowe.

VOL. I., 1573—1673.

This is a well-preserved parchment book, except for a large piece, which has been torn out of the second and third leaves (pages 3 to 6) [see note x on page 3]. The writing is fairly legible. The volume was re-bound in the xix. century. Size, 14 by 5½ inches.

The register appears to have been very well kept up to 1642, after which year there are scarcely any entries until 1650.

It is probable that the first part of the present register is a copy on parchment of the original paper register, made about 1599. The only Latin entries are between 1639—1642 and 1670—1672; the rest of the register is in English.

On page 172 there is a list of all the ratepayers in the parish of Stowe, with the amounts at which they were assessed in June, 1655, which is valuable in view of the defective state of the register at this period.

On page 171 will be found a rhyme by a local poet.

On page 149 is a memorandum showing that the ministers of Stowe and Colwich occasionally baptised children belonging to the other parish for the convenience of the parents.

On page 163 is a note of a "greate snow" in January, 1634.

On page 168 is a memorandum relating to the charity of Edward Rocke, Esq.

The entries in this volume are in chronological order, with the following exceptions—

Year of Entry.	Page of Register.	Year of Entry.	Page of Register.
1643	173	1689	217
1649	174	1691	217

[The first leaf (pages 1 and 2) should have been bound after page 90. See Note x.]

p. 1. [blank.]

p. 2.

NOTE x.—That this leaf belongs to the year 1613 is clear from the following considerations:—

- (1) It is in the handwriting of the scribe of 1613, and fills up the gap in the entries for that year. It should have been bound directly after page 90, when this would have been clear.
- (2) The persons named in this page were alive in 1613.
Thus (1) Willm. Snow & Eliz. Philips were mar. 29 Oct., 1612; 1st child bap. 30 May, 1613, 2nd child bap. 25 May, 1615, 3rd child 25 Jan., 1617, etc.
(2) Christopher Willat & Katherine had a child bap. & bur. in Sep., 1611, another bap. & bur. in Mch., 1613, another bur. on 25 May, 1613, another bap. June, 1614.
(3) John Byland & Ann had a child bap. 4 July, 1613, another bap. 19 Aug., 1614, another bap. 17 Nov., 1615.
(4) Hugh Sale & Jonne had a child bap. 29 Jan., 1613, another bap. 23 July, 1613, another bap. 9 Nov., 1615.
(5) George Cottrell & Eliz. had a child bap. 26 July, 1613, another bap. 9 Nov., 1617.
