STAFFORDSHIRE PARISH REGISTERS SOCIETY

The Hon. Secretary's Report for 1965

I am pleased to report that the affairs of the Society continue to make progress which although not spectacular is never-the-less heartening. The membership during the year increased by three but as there were two deaths the net increase was one and the total now stands at 77. I have to report with regret the deaths of Col. Dyott and Mr. S. A. Jeavons the latter a particularly sad and unfortunate loss.

During the last few weeks the printed copy of the Chebsey Parish Register has been sent out to members. Unfortunately due to delays at the printers the issue of this volume has taken somewhat longer than anticipated but now that it is circulated I am hoping to go ahead with the next volume within the next month or so. I am trying to find a small register which we can print in its entirety. As Himley is partly transcribed I am trying to see if this parish can be tackled.

Sales of back volumes continue but not at such a high level as before. Even so the year under review has produced from this source the sum of £20-10-0 which is a very welcome addition to our slender resources.
